

## South Central Public Health Partnership

### TRAINING PROFESSIONALS TO PROTECT THE PUBLIC

<http://lms.southcentralpartnership.org/scphp>

### **Implementing the National Strategy for Pandemic Influenza**

**Instructor:** William H. Lyerly, Jr., Director of International Affairs, Office of the Chief Medical Officer for the Department of Homeland Security

The purpose of this presentation is to provide participants with a brief overview of the National Strategy and the responsibilities and roles assigned to those individuals, industry, state and local governments, and the federal government in preparing and responding to a pandemic. The topics covered in this course include:

#### **Learning Objectives**

- Identify key components in the federal government response to a pandemic.
- Distinguish the critical objectives highlighted in the National Strategy Plan
- Recognize key components in the National Response Plan

#### **Competencies**

- *Not applicable*
